Anderson told the court that youth after quitting school had sought full-time employment, but was unable to secure more than seasonal work. Philosophy Professor Makes "Thinking Machine" For \$120

SOUTH HADLEY, Mass. (AP)—A Mount Holyoke College philosophy professor today displayed his "thinking machine," which he says "is to logic what an adding machine is to arithmetic."

Prof. Roger W. Holmes built the machine for about \$120 "plus labor."

He says it can solve practically any problem in a book on fundamental symbolic logic.

The machine, about the size of an old-fashioned table model radio, has a complex system of electrical relays which flashes lights on a control board.

If a proposition is valid a green light will flash. If it is invalid, a red light shows.

The professor sets up the questions with a series of symbols. He says the machine can't perform any function which a human operator couldn't do for himself.

The thirteen county entrants who competed for prize money and scholarship will each receive an American Legion certificate.

Miss McDannell, 16-year-old daughter of Mr. and Mrs. David W. McDannell, R. 4, received \$20 for her first place entry. The winning essay, according to Dr. Keefe, was a well-written principal of Gettysburg Schools, will be forwarded to Harrisburg for competition in the State eliminations.

Dr. Mason disclosed that five of the essays were submitted from Gettysburg; two from East Berlin; two from Littlestown; three from Delone Catholic High School, and one from New Oxford.

"Our Eddie"

In writing up the Cleveland Athletic game of baseball on Saturday Charles Dryden, correspondent for the North American, pays the following deserving compliment to pitcher "Eddie" Plank:

"Grand Marshall Plank made King Lajole and his helpless subjects look like the holes in a bunch of doughnuts, and what is still better 15,344 persons saw the noble deed. Our sterling young southpaw blanked the Blues with five stragglings hits. The score at the close was 7 to 0, and Plank still carried a full head of steam."

"He never pitched under more favorable auspices. The day was perfect, every seat was occupied, and ladies and gentlemen in loose bunches sat in various parts of the field gazing rapturously at the spellbinder from Gettysburg."

United States And Japan Sign Mutual Defense Pact

By GEORGE MCARTHUR
TOKYO (AP)—Japan and the United States today signed a mutual defense pact to give the Japanese both guns and grain and hasten the day when American soldiers can withdraw from the island empire.

The mutual defense assistance agreement—actually a series of agreements—will pour 100 million dollars of American aid into Japan's economy in the next three months and probably amount to much more in the long run.

U. S. Ambassador John Allison said the agreement "takes us one step nearer the time when the United States can withdraw its forces from Japan."

Japanese Foreign Minister Katsumi Okazaki signed for his government.

160,000 Defense Force
The agreement will boost Japan's defense force from 120,000 to 160,000 men and hold it along more military lines. The United States will supply ships and planes.

The United States also will start the movement of 500,000 tons of surplus wheat and 100,000 tons of barley to Japan. And Japan will sell the grain domestically and in turn use the money for guns and munitions.

The agreement was hammered out in eight months of negotiation which at times brought the Liberal government of Prime Minister Shigeru Yoshida under intense opposition criticism. Despite Socialist opposition, the government expects ratification by April 1.

Allison emphasized that the pact does not require Japan "to send its young men abroad." He quoted Secretary of State Dulles who said recently the agreement would be "purely of a defensive nature, directed exclusively toward contributing to the defense and security of the Japanese homeland."

Will Fight Reds
However, neither does the agreement specify that Japan should not send troops wherever it saw fit. The agreement binding Japan to the Western democracies in the fight against communism provides for destroyers, tanks, jeeps, airplanes and other military needs. It also provides for a 700-man military advisory group to serve with the Japanese defense force.

Material given to the Japanese cannot be resold to other nations. The agreement is almost identical with similar mutual defense pacts the United States has signed with many nations.

THE Camera
COLUMN

By Dave Garfinkle

When you become the owner of a folding roll film camera, or any camera with an anastigmat lens mounted in a multi-speed shutter, your equipment will permit you to compete with the professional photographer in quality of shots.

There's just one big drawback to owning a good camera with this kind of lens... you can't blame your poor shots on the equipment. You'll have to shoulder the blame yourself. That may sound facetious, but it isn't intended that way. This, faster lens-shutter combination will improve your photography—if you take full advantage of its possibilities.

Every amateur without previous experience with a good camera should plan two additional purchases along with that first fine camera: an exposure meter and a good book on photography. The book will tell you how to use the new camera; it will furnish the education you need. The exposure meter will aid you in getting the best possible prints. The cost of both items will be paid for soon with the film you'll save.

Buying a good camera and then failing to learn how to use it properly is like buying a scalpel without a medical education. We can answer a lot of your questions about camera use... and we can suggest a book on photography that will help you. See us for that exposure meter to guarantee your pictures... and, of course, be sure to look over our selection of fine cameras before you buy. TAXES, HAWAII STATEHOOD ARE 2 BIG ISSUES

WASHINGTON (AP)—Party leaders tightened their lines today for Republican-Democratic tussles in Congress on two issues: taxes and statehood for Hawaii.

Senate Democrats have been summoned to their first caucus of the year tomorrow to discuss a campaign to tie an Alaska statehood amendment to the Hawaii bill which the Senate has been debating since last Thursday. The Republican leadership opposes the move.

The House on Wednesday is scheduled to take up the first big tax bill of the year, a measure to cut many excise or sales taxes, and there may be some preliminary skirmishing preparatory to a bigger battle a week later over reducing personal income taxes.

Have One Vote Edge
In the Senate, Democrats outnumber Republicans 48-47. In the House, there are 219 Republicans to 215 Democrats. Each branch has one independent.

In the Senate, Democratic leaders are seeking unanimous support for a proposal by Sen. Anderson (D-NM) to add Alaska to the Hawaiian statehood bill. Alaska normally votes Democratic and Hawaii Republican.

Republicans are striving to keep the bills separate, arguing that the addition of Alaska might sink the statehood ambitions of Hawaii as well as Alaska.

"THE SOCIAL LADDER"

We all like to climb the ladder... to attain some real success... so we aim for higher targets... where there seldom is distress... then we set about to capture... things that make our wants complete... building up a solid structure... made of reinforced concrete... after this has been accomplished... we strive on to lofty hills... looking out for noble places... strange and mystifying thrills... we take on new mannerisms... for position must be served... so we practice being haughty... real elite and most reserved... we invade the choicest parties... showing off only the best... for we're in a swirling whirlpool... and then one day when luck turns sour... and we taste the bitter pill... we admit the social ladder... is a very shaky hill.

\$34,038.67 TAX COLLECTED IN NEW OXFORD

Tax collection returns filed by H. Bender Millar, New Oxford collector, with the office of the county clerk of courts showed that in 1953 New Oxford taxables paid out \$34,038.67. Cost of collecting the taxes was \$1,314.30.

The year-end tax statement disclosed that collections of borough taxes amounted to \$9,148.49; school district, \$16,899.97; county, \$5,018.74, and institution district, \$2,971.47.

The collections were made at a cost of \$356.33 to the borough, \$649.59 to the school district, \$207.78 to the county, and \$100.60 to the institution district. Millar's salary and commissions as tax collector amounted to \$1,149.78.

Expenses listed by the collector totaled \$547, including \$425 for office help, \$65 for automobile usage, \$20 for heat, \$15 for office supplies, \$12 for electricity, and \$10 for postage.

\$551,460 Valuation
New Oxford, numbering 831 taxables, had a \$551,460 assessed valuation on its properties—in addition to a 15 mill tax rate. Borough real estate taxes levied in 1953 amounted to \$9,205.56. Of this amount, \$9,148.49 was collected with \$56.07 remaining uncollected.

School taxes included a per capita tab of \$5 and a 25 mill tax rate. New Oxford taxables were levied a school bill of \$13,770.83 and a per capita charge of \$4.155. Millar reported the county intake for 1953 as \$5,018.74. Still outstanding is \$504.50.

Institution district taxes levied last year on New Oxford real estate came to \$3,078.41. Millar collected \$2,971.47 and noted in his annual financial statement that \$261.49 is still delinquent.

PAPER STRIKE IN NEW YORK IS AVERTED

NEW YORK (AP)—A possible new strike against major New York City newspapers was averted yesterday when AFL Photo-Engravers voted to accept a fact-finding board's decision.

By a vote of 209 to 76, the photo-engravers accepted a weekly package of \$3.75, including wage increases and other benefits. This was the same package that the publishers offered before the photo-engravers struck six of the city's major newspapers last Monday during the Christmas shopping season.

The strike ended when the photo-engravers agreed to let a fact-finding panel decide whether they should get more than the \$3.75 package offered. The board's decision, announced last Tuesday, was not binding on either side and the photo-engravers could have struck again.

Urged Acceptance
Both Edward J. Volz, president of the AFL International Photo-Engravers Union of North America, and Denis M. Burke, president of Local 1 here, urged the members to accept the recommendations of the board.

Burke said: "It's a bitter pill that no one hates to swallow more than I do."

Burke contended that the out-should not be considered a victory for the publishers, represented by the Publishers Assn. of New York City.

*The publishers group made no immediately comment.

Cop Beaten Trying To Break Up Fight

BALTIMORE (AP)—Patrolman Edward J. Budacz saw a man and a woman fighting in the street yesterday, so he decided to intervene. But when he did, the policeman testified in Central Police Court, he was attacked by both combatants.

First Willard Clark hit him with his fists, Budacz said. Then Mrs. Ann Sanbury struck him with a belt buckle.

Clark was sentenced to six months and fined \$25 on charges of assault and disorderly conduct. Mrs. Sanbury drew a \$25 fine and 30 days in jail.

Receives Cap

Miss Jean Bible, daughter of Mr. and Mrs. B. H. Bible, Fairfield R. 1, will receive her nurse's cap at 8 o'clock this evening at the York City Hospital. She was graduated from the York Springs High School in June, 1952. She is a student of the nurses' training school at the York hospital.

Airline Heroine Is On Her Honeymoon

SANTA ANA, Calif. (AP)—A plucky young McKeesport, Pa., airline hostess who was credited with saving 26 passengers from a flaming airliner last September, was on her way to the East Coast today on her honeymoon.

Miss Patricia Grivna, 22, the daughter of Mr. and Mrs. John Grivna of McKeesport, was wed Saturday night in a formal ceremony to Raymond M. Cheseldine Jr., of nearby Fullerton.

She aided in saving 26 persons, including three babies, from a Northwest Airlines plane which crashed at McChord Air Force Base a short time after taking off from Seattle.

"BIG FOUR" OF NATIONALISTS BEING SOUGHT

SAN JUAN, Puerto Rico (AP)—Pushing its drive against political trouble makers, the Puerto Rican government today sought the "Big Four" of the island's Communist party and two Nationalist leaders still at large.

Sweeping police raids over the weekend netted 40 Nationalist party leaders and six Communists. All were jailed as possible subversives. The roundup was launched after last Monday's attack by Nationalists in the U.S. House of Representatives.

The Reds were captured without violence in a second round of arrests yesterday. This was in contrast to the gunfire and tear gas attack when Nationalist chief Pedro Albizu Campos and five of his aides were routed out of his apartment Saturday.

The four Communists being sought are Juan Santos Rivera, the party president, who reportedly had Moscow training; Juan Saez Corales, a local labor union organizer; Cesar Andeu Iglesias, former party president; and Pablo Garcia Rodriguez, a Harvard-graduated lawyer.

On \$25,000 Bail
In custody as Reds are Consuelo Burgos de Saez, wife of Saez Corales; Jane Speed Andreu, 43, of Berkeley, Calif., Andreu's wife; Mariano Arroyo Zeppendelf, Ramon Mirabal, Cristino Perez and Felix Ojeda.

Atty. Gen. Jose Trias said both the alleged Communists and Nationalists, jailed on \$25,000 bail each, are being charged with violating a local anti-subversive law.

Authorities believe the Puerto Rican Communist party has less than 100 members but fear that it is tied in with the Nationalist faction, which has several hundred followers. Both parties demand complete independence for Puerto Rico, and reportedly the Reds furnished some of the arms for the 1950 Nationalist revolt in which 50 persons were killed.

Fourteen Assigned To Guard Truman

NEW YORK (AP)—A special 14-man police guard was assigned to former President Harry S. Truman following the recent shooting of five congressmen by Puerto Rican Nationalists.

He commented that the precaution was not necessary.

Three policemen accompanied him on his traditional morning stroll and 11 others were stationed in and around the Waldorf Towers where he has a 35th floor suite for the weekend.

The Nationalists attempted to assassinate Truman in 1950 while he was president.

Truman was here to appear on "Excursion," Ford Foundation television program, Sunday at 4 p.m., EST.

The former President, walking 22 blocks in 28 minutes, declined to discuss current politics with reporters who accompanied him.

WILL H. HAYS DIES ON SUNDAY

SULLIVAN, Ind. (AP)—Will H. Hays, 74, who led a predepression uniting the Republican party behind President Harding, will be buried in his beloved home town Wednesday.

The man who served 24 years as so-called czar of the motion picture industry died in the quiet of his home here yesterday.

Once a Republican national chairman before he was 40, he kept an interest in politics till death, though a heart ailment had made him an invalid since October. Only in the last week did his condition become critical.

His wife Jessie and his only son, by a former marriage, Will H. Hays Jr. of Crawfordsville, Ind., were at his deathbed.

Though he retired from the Hollywood job to his law practice in 1945, the "Hays office" code of good taste in movies remained entrenched until recently, when signs of rebellion began to appear.

CRUSHED TO DEATH

FRANKLINVILLE, N. J. (AP)—Edward J. Novak, 45, of Philadelphia was killed yesterday when a tractor he was operating overturned and crushed him.

Miss Diane Cornell, a student nurse at the Lancaster General Hospital, spent the weekend with her parents, Mr. and Mrs. F. Bernard Cornell, E. King St.

Today's Talk

By GEORGE MATTHEW ADAMS

SEND-A-LETTER DAY

There have been so many days set apart in which to honor Mothers, Fathers, Newsboys, Dogs, and others, that I wish to suggest another — Send-A-Letter Day! Who is more anxiously awaited than the mail man? We all like to get letters, especially from those we love and honor. The end comes all too soon for us all, so that a letter of love and encouragement is something to which to look forward.

The late David Grayson (Ray Stannard Baker) once wrote in one of his charming books about a long time friend to whom he had not written for years. He said: "I must write him." But he put it off. Then he got word that his friend had died! Dr. Samuel Johnson once remarked: "There are no letters delivered at the grave."

If such a special day as "Send-A-Letter" Day could be instituted just think of the resultant joy that would be created in millions of homes. Perhaps it might develop into such a glorious success that there would be no deficit on that day for the Post Office Department!

But just think of the raising of the morale of the country on that day. Happy human beings by the million, encouraged, anew, and blessed no end. Perhaps a special stamp could be granted for that single day. Stamp collectors would welcome that. What a boon to extra ink, pencils and pens for that day, too. Long planned and neglected letters would spring to life like magic! And it would be a grand idea if all the Post Offices on that day could use a single word to cancel each letter and that word simply—LOVE!

And while the idea is fresh in our minds, why not make a start today, to encourage the plan, by writing that long intended letter, to mother, father, brother, sister, or friend? It might be that it would work so well that a letter day would become a habit. No one would be unhappy about that!

Tomorrow Mr. Adams will talk on the subject: "Listening—An Art."

RICH FOOD; POOR APPETITE

Time was that banquet dishes I could heartily enjoy. But then I had the stomach and digestion of a boy. Now, instead of sumptuous dinners of which chefs so proudly boast, for my evening meal I'd rather have a cup of tea and toast.

I have tired of grapes and peaches served together in a cup.

The old desire for bouillon I have wholly given up.

Even breast of milk-fed chicken under glass has ceased to please.

And my mouth no longer waters over carrots mixed with peas.

I'd rather have rice pudding than ice cream that's mostly ice. The little cakes are tasty and a macaroon is nice.

So, I seldom eat at banquets—and it's not that I'm a boor—

But you can't enjoy rich cooking when the appetite is poor.

PILOT KILLED IN CRASH; ONE PERSON HURT

MT. GRETN, Pa. (P)—A light private plane carrying two men on a pleasure flight failed in the take-off yesterday and nosedived to the ground, killing the pilot and seriously injuring his passenger.

Donald F. Sessions, 28, of Mt. Gretna, a car salesman in Lebanon and the pilot, was pinned in the front seat of his single engine Aeronca and crushed to death. He suffered a fractured skull and spine and multiple internal injuries as the plane plowed into a field on the top of a hill near Lake Gretna.

His passenger, Michael Resuta, 26, of Lebanon, a finance company employee, suffered a broken leg and arm and contusions and abrasions of the face. He was reported in fair condition at Good Samaritan Hospital in Lebanon, about 10 miles northeast of this summer resort community in Lebanon County.

Wind Turns Plane

Cpl. W. S. Hall, state police aviation investigator from Reading, said Sessions was trying to make a turn as he gained altitude and was probably flipped over by a gust of wind.

Sessions' uncle and aunt, Mr. and Mrs. Ray E. Howell of Mt. Gretna, whom he had visited during the day, saw the accident as he took off from the old Soldier's Field landing strip. Sessions was flying back to Myerstown, Lebanon County, where he kept the plane. He had flown into Mt. Gretna earlier in the day.

Hall said the plane was destroyed. Sessions, a World War II Navy veteran, was a former resident of Reading.

WIDOW OF SLAIN TRUCK DRIVER WEEPS IN COURT

GREENSBURG, Pa. (P)—Mrs. Elizabeth G. Pitts, whose husband was slain as he slept in his parked truck on the Pennsylvania Turnpike, broke down and sobbed Friday night at the murder trial of John Wesley Wable.

Called by the state to identify photographs of her husband's truck and describe events prior to his death, Mrs. Pitts buried her face in her hands and wept as she finished her testimony.

In the courtroom audience was her daughter, Joyce, 9.

Mrs. Pitts said her husband, Harry, 39, left their Bowling Green Va., home last July 25 for Norfolk, Va., to pick up some autos which were to be delivered to Coraopolis, Pa.

Wable, 24-year-old handyman from Ohio, Pa., went on trial Monday charged with fatally shooting Pitts July 28.

He also is accused of slaying another truck driver, Lester B. Woodward, 39, of Duncannon, Pa., on the turnpike three days earlier. He is scheduled to be tried later in this case.

In his opening address to the jury of seven men and five women, Asst. Dist. Atty. John K. Best demanded "death in the electric chair" for Wable.

Best said the state will show Wable had the death gun in his possession the night Pitts was killed and that he was on the turnpike that night.

Among the first witnesses called

Aged Sanitation Pioneer Succumbs

PHILADELPHIA (P)—Dr. Howard S. Anders, 87, a pioneer in public sanitation, died yesterday in suburban Bryn Mawr.

Dr. Anders waged a continuing battle for public health legislation. He advocated individual drinking cups in offices and was instrumental, in the 1890s, in eliminating the common communion cup in many churches.

He also spoke out for rubbish collections, clean streets and clean public conveyances.

as the prosecution began laying the groundwork of its case was Herbert L. Parr of near Bowling Green, Va., a truck driver and long-time friend of Pitts.

Parr discovered the slaying. He told the jury:

"I recognized his truck by the copper-colored horns and braked my truck down to go over and wake him up. Two other tractor-trailers were parked behind him."

Finding Pitts was dead, Parr said:

"I ran to the road and flagged down a flatbed truck and told the driver 'There's a man dead, get help.' I didn't go to the other trailers because I was afraid of what I'd find there."

Parr testified at the first night session of the trial. Another witness was Dr. Mary Crumlish, Irwin, Pa., physician who performed an autopsy on Pitts' body. She said he was shot over the right eye and that he died almost instantly.

Asst. Dist. Atty. Best, in his opening address, said the killing of Pitts was related to that of Woodward and the non-fatal shooting of John K. Shepherd, 34, of West

SECOND PAPER OPPOSES BAN ON COURT PHOTOS

PITTSBURGH (P)—The Pittsburgh Post-Gazette will join the Greensburg Tribune-Review Publishing Co. Monday in seeking permanent federal injunction against a ban on picture-taking in the Westmoreland County courthouse at Greensburg.

U.S. Dist. Judge Wallace S. Gourley signed an order on Friday permitting the Post-Gazette to enter the court fight. Paul Block, Post-Gazette publisher, said:

"We are intervening to protect the important principle of freedom of the press, the right of the people to know what goes on in court and the right of the defendant to a public trial."

Acting on a petition of the Greensburg newspapers, Gourley last Tuesday issued a temporary restraining order permitting pictures in the courthouse if the subject gave written consent.

Three Westmoreland County judges imposed the ban on taking of photographs in the courthouse or jail connection with the current trial of John Wesley Wable, accused Pennsylvania Turnpike slayer.

Judge Edward G. Bauer, presiding at the trial, said the court's formal order was a restatement of a long-standing policy.

Alexander, Pa.

Shepherd was shot in the head last July 31 as he slept in his parked truck in Ohio near the western approach to the turnpike. He will testify later.

Bullets Win Middle Atlantic Mat Title For 6th Year In A Row; Have 8 Championships

Gettysburg College's determined matmen turned on the pressure Saturday to win their sixth straight Middle Atlantic Collegiate Wrestling championship and eighth title in the 16 years of competition in the annual event.

Approximately 800 fans turned out for the finals in the Eddie Plank Gymnasium when three Bullet entries, Sam Evangelista, 130; Bill Sells, 167, and Ronnie Miller, heavyweight, captured individual titles to clinch the championship. Lafayette had been favored to cop the tourney honors on the basis of being undefeated in regular season competition.

Team scoring was as follows: Gettysburg 29; Lafayette 24; Muhlenberg 20; Bucknell 18; Ursinus 16; Delaware 13; Haverford 10, and Swarthmore 3.

Ed Dawkins, 123, Haverford, was named the outstanding performer during the meet.

Sells Surprises

One of the biggest surprises of the tournament was the fine performance of Bill Sells of the Bullets who had been unseeded. He capped his work with a 6-2 decision over Bob Davenport, Bucknell, in the final.

Evangelista and Miller climaxed fine campaigns in winning their division honors. The former received a 6-2 verdict over Tom Miller, Bucknell, while the latter completely outclassed Jack Stroheck of Haverford 19-6 to end the affair.

Fred Braun, 177, Lafayette, completed an unbeaten season in defeating Dick Miller of Gettysburg 6-0.

It was revealed Saturday that Harold Ladd, 157, Delaware, had suffered a fractured rib in Friday night's opening matches which gave his opponent a win by default.

At a meeting of officials Saturday all officers were re-elected for another year as follows: President, C. E. Bilheimer, Gettysburg; vice president, Roy E. Randall, Haverford, and secretary-treasurer, Everett Bailey, Ursinus.

Muhlenberg was chosen as the site for the 17th annual event next year.

Wins Houston Open And Prize Of \$600

HOUSTON (AP) — Dave Douglas hadn't won a dime this year until he plucked a big one, the Houston Open's \$6,000 top prize, and now is winter golf's second leading money winner.

The slender Grossinger, N.Y., pro won the winter tour's richest tournament yesterday by turning in his fourth day of subpar golf.

His 72-hole 277 was 11 below par and placed him two strokes in front of Memphis' Cary Middlecoff the defending champion and pretournament favorite.

Middlecoff's \$3,200 runner-up money boosted his earnings for the year to \$6,780.56 for first ranking.

Douglas clinched top money in the \$30,000 tournament with a final-round, 5-under-par 67 that took most of the record gallery of from 12,000 to 15,000 by surprise.

York Defends Swim Title On Saturday

STATE COLLEGE, Pa. (AP)—York High School defends its state PIAA swim title here Saturday with at least four other schools given a chance to win the crown.

York won four individual events Saturday but lost its eastern regional championship to Lancaster in a qualifying meet at Lancaster.

The winners totaled 45 points, while York and Coatesville were tied for second with 43½ each and Allentown finished with 38.

One western Pennsylvania team also is rated a chance at the title. Erie Strong Vincent swept all opposition in dominating the western regional meet. It compiled 58½ points while second place Clairton could muster only 25.

Willard Marshall Pleases His White Sox Manager With 3-Run Homer Against Reds On Sunday

By BEN OLAN

Associated Press Sports Writer

Willard Marshall, called by Chicago White Sox Manager Paul Richards "the leader type player we need," has a head start in his efforts to nail down a regular job.

The 33-year-old outfielder, acquired from Cincinnati during the winter, drove out a three-run homer yesterday as the Chisox opened their exhibition schedule with an 8-3 victory over the Redlegs.

Marshall, who joined the New York Giants in 1942, always was considered a potential major league star, but he never quite reached the heights. Although he batted only .266 in 1953, the White Sox still thought enough of him to let pitcher Saul Rogovin and infielders Connie Ryan and Rocky Krsinic go to Cincinnati.

Outfielders also did most of the long-distance hitting in the other grapefruit league games.

Orioles Beat Cubs
At Yuma, Ariz., Dick Kokos walked a two-run homer in the last half of the 10th inning to give the Baltimore Orioles an 8-6 win over the Chicago Cubs. Marlin Stuart, who hurled the last frame, was credited with the victory.

Rookie Vic Power and the veteran Gus Zernial contributed home runs in a six-run third inning by the Philadelphia Athletics as Eddie Joost's men downed the Washington Senators 7-3. Bill Renna, a former New York Yankee, and Pete Suder also got hits in the uprising.

Freshman infielder George Freese got three hits as the Pittsburgh Pirates broke loose for five first-inning runs and went on to defeat the Detroit Tigers 7-3. Right-hander Ron Necciai was the winning pitcher.

In a wild affair at Phoenix, Ariz., the Cleveland Indians walloped the Giants 23-10. The Tribe slammed three homers with outfielder Dave Pope getting two.

Billy Consolo, the \$65,000 bonus baby, paid off with a 400-foot triple in the eighth inning to give the Boston Red Sox a 2-1 triumph over the Philadelphia Phillies.

Tom Herrin and Tom Brewer, a couple of first-year pitchers, limited the Phillies to six hits.

With Jerry Coleman, Bob Cerv and Andy Carey finding the home run range, the champion New York Yankees trimmed the St. Louis Cardinals 10-7 in a loosely played game at St. Petersburg. The Cards' Stu Miller, plagued by a sore arm in 1953, gave up only one hit in the three frames he worked.

The Brooklyn Dodgers went without a hit until the 11th inning and bowed to the Milwaukee Braves 9-2, for the second straight day. Ernie Johnson was the victim of Brooklyn safeties after Lew Burdette and Jim Wilson had pitched hitless ball.

TORNADO TOPS DALLASTOWN 5
Waynesboro High School's dribblers crushed Dallastown 57-36 on the Gettysburg High School floor Saturday evening before about 1,000 fans in a Class B District 3 PIAA playoff.

The Tornado was led by Tom Cross, 6-7 center and scoring champion of the South Penn League, who accounted for 20 points.

Dallastown furnished Coach Harry Pure's outfit stiff opposition in the first period and trailed but by two points, 17-15. Thereafter it was all Waynesboro.

Waynesboro now meets Camp Hill on the York Junior College floor Tuesday evening in a semifinal game.

CAGE TOURNEYS GET UNDERWAY THIS EVENING

By ED CORRIGAN

NEW YORK (AP)—With five conference races still to be decided in down-to-the-wire battles, the involved NCAA postseason basketball tournament gets under way tonight with preliminary rounds scheduled for Buffalo, N. Y., and Durham, N. C.

Powerful La Salle of Philadelphia (21-4), Middle Atlantic Conference winner, is favored over Fordham (18-5), and Connecticut (23-0), the New England representative, is a slight choice over Navy (16-7) in the Buffalo double-header. Fordham and Navy are "at large" teams—that is, not representing any conference.

At Durham, North Carolina State (25-6), the Atlantic Coast Conference titleholder, meets Southern Conference champion George Washington (25-2). State was an upset winner in the AAC loop, but George Washington swept through the Southern like a tornado. GW is favored.

Regional Finals Friday — The winners all will advance to the regional finals, slated to start in Philadelphia Friday. The winner of the Connecticut-Navy game will play the still-to-be-determined Ivy League champion. The winners of the other two games also will meet.

Only one of the vacancies definitely will be filled tonight. That one will be the Pacific Coast berth. The playoff between Southern Division champion Southern California and Northern Division winner Oregon State shows one victory apiece. They play the deciding game tonight.

Three spots were filled Saturday. North Carolina State made it with an 82-80 overtime decision over Wake Forest; George Washington moved on by defeating Richmond 83-70, and Indiana, which won the championship last year, earned the Big Ten berth with a 67-64 victory over Illinois.

Triple-Header
Meanwhile, the National Invitation Tournament in Madison Square Garden will go with its second triple-header pitting Brigham Young against St. Francis of Loretto, Pa.; Niagara against Dayton; and Western Kentucky against Bowling Green.

Dayton eliminated Manhattan 90-79, Saturday night and Bowling Green edged Wichita 88-64. In the third game, St. Francis of Brooklyn advanced against Louisville 60-55, tournament—also gets under way today. The 32-team event will run six days with the eventual champion having to play and win five games in that span. Springfield (Mo.) State is the defending champion.

WINS SWIM TITLE
WEST CHESTER, Pa. (AP)—Delaware scored 83 points while winning 6 of 10 first places to capture the Middle Atlantic swimming championships Saturday.

Other scores were: Lafayette 60, Franklin and Marshall 40½, Gettysburg 39, West Chester 20, Drexel 11 and PMC 3½.

Elizabethtown Here Tonight To Meet Bullets; No Prelim; Double-Header On Wednesday

A pair of home games for the Gettysburg College cagers, first of which will be played here this evening at 8 o'clock with Elizabethtown College, will conclude the local basketball season. Wednesday evening the Bullets entertain Franklin and Marshall in the season's finale.

Elizabethtown started its season in fine fashion under its new coach, Paul Greene, by winning eight of the first nine contests. The Blue Jays then went into a tail spin and dropped six in a row. At present they sport a 10-13 record.

Mountaineers Capture M-D Cage Championship Saturday

Mt. St. Mary's College finished its basketball season in a blaze of glory Saturday evening, winning the Mason-Dixon Conference championship by drubbing Loyola College 84-65 at Baltimore in the final play-off.

Coach Bill Clarke's outfit played by far its finest game of the season and led throughout the game.

Top honors went to Big Sal Angelo, Mount center, who poured 30 points through the hoops and turned in a brilliant performance in capturing rebounds.

After getting off to a 25-18 lead in the first period the Mountaineers were complete masters the remainder of the way.

Joe Hittleman, scoring ace for Loyola, contributed 30 points to a futile cause.

Angelo's superb performance was given fine support by Eddie Bais, Bill Stanley and Frank Smith. Frank Swaine took part in all three tourney games despite an attack of grip.

The victory gave the Blue and White an overall season record of 15-11, and a run of six straight victories to complete the campaign.

Saturday's game marked the final for Coach Clarke who recently resigned, effective in June, to accept a position in New Jersey.

In registering their victory the Mountaineers connected on 46.4 percentage

from the floor and their entire tournament shooting averaged 42.5. Against Loyola Angelo captured 28 rebounds to equal the entire total of the opponents.

Three Mount players, Angelo, Stanley and Jack Sullivan, were named to the first all-tournament team. Other members were Gira, Roanoke, and Hittleman, Loyola. Frank Smith drew a second team spot for Mt. St. Mary's.

Many Former Stars Missing From Spring Training Camps

By FRANK ECK
ORLANDO, Fla. (AP)—Hal Newhouse, the southpaw who made pitching history during his 15 years with the Detroit Tigers, has gone back on his word.

Last spring Newhouse had arm trouble. It was then that he said: "When I can't win any more I'm going to quit. I don't want to be a bumpty-dumpty who wins one and loses two."

Right now Newhouse is out at Phoenix, Ariz., trying to "make" the Cleveland Indians (who need pitching just about as much as Casey Stengel needs another full share of the World Series swag.)

In this camp of the Washington Senators the feeling is that Newhouse should quit while he's ahead. His 1953 record showed only 22 innings and one decision, a setback.

Newsom Finished

There's a certain amount of nostalgia attached to baseball when a star fades. Around there they say Bobo Newsom regularly, but "Ole Bo is finished." He started back in 1929 with Brooklyn and finished with the Philadelphia Athletics last year at 46. He hung up 211 victories, his most noteworthy being a 1940 Detroit World Series triumph the day he learned of his father's death.

Bobo is just one of the former stars who have put on a players' uniform for the last time.

Missing from the Yankee camp at St. Petersburg is Johnny Sain,

a 145-game winner whose most memorable achievement was his 1-0 victory over Bob Feller in the opening game of the 1948 World Series.

The Yankees also miss the big stick of big John Mize. Though he was known as a great Cardinal slugger for six years, during which he batted between .315 and .364, it was only when he came to the Yankees in a celebrated waiver deal that his bat made history.

Many Switch Jobs

Marty Marion, Don Dimaggio, Jerry Priddy, Lou Brissie, Walt Masterson and Billy Hitchcock also are missing from American League camp games. Marion is helping Paul Richards as a White Sox coach, while Brissie will try a comeback with Indianapolis. Hitchcock makes his debut as Buffalo manager. Priddy will manage Seattle and play first base.

Pew can forget Brissie who was left for dead on a battlefield in Italy. Yet, as a rookie in 1947 pitching with a shingard following 23 operations on a leg, he won 14 games for the Athletics and followed with 16 the next year. Brissie was one of baseball's rare bargains in a day when \$60,000 bonuses were common. He went with the A's because his late father worshipped Connie Mack.

Senior Loop Absentees

National League camps no longer feature as competitors Eddie Stanky, Harry Brecheen, Dutch Leonard, Dick Sisler, Max Lanier, Bill Nicholson or Phil Cavarretta.

Sisler, whose final day home run for the Phillies in 1950 beat the Dodgers out of the pennant, will be playing for San Diego. The deal that sent him from Columbus could have been part of the sale that brought Negro first baseman Tom Alston from San Diego to the Cardinals.

Stanky and Cavarretta will spend full time as managers. But who can forget the 1951 World Series when Stanky, as a Giant, kicked a double play ball out of Phil Rizzuto's hands in the Polo Grounds? It led to five unearned runs and the ball game. Or Brecheen who in 1946 became the only left hander in history to win three games in one World Series? Brecheen now coaches Baltimore's new Orioles.

Somewhat the list of retired or released players this spring seems to be more significant than ever. At least those bowing out are leaving a trail of records that will take some time to equal.

Accuse 1,660 Firms With Conspiracy

WASHINGTON (AP)—The Federal Trade Commission (FTC) yesterday accused 1,660 companies of a conspiracy to fix prices on burial caskets. Among those accused were three Pennsylvania firms.

The FTC said the companies, all members of the Casket Manufacturers Assn. of America, had agreed to increase the output and sale of higher-priced caskets and curtail production of lower priced ones.

Pennsylvania firms accused were the Boyertown Burial Casket Co., Boyertown; Atlas Casket Co., Philadelphia, and York-Hoover Corp., York.

A hearing is scheduled for May 18 in Cincinnati.

HELD IN BAIL ON \$5,000 FOR \$146,000 THEFT

PHILADELPHIA (AP)—J. Harold Wolf, 57-year-old vice president of the Telford (Pa.) National Bank, was held in \$5,000 bail today on charges of embezzling \$146,000 during the past 32 years.

U. S. Commissioner Henry P. Carr fixed bail at a brief hearing during which FBI Agent Clarence W. Frye testified that "Wolf admitted to me that he took the money in sums ranging from \$100 to \$2,000 and that the total was \$146,000."

Wolf was arrested Friday night by FBI agents and bail originally was fixed at \$10,000. At a hearing Friday night however, Wolf was not represented by counsel. Today, Atty. Leon Fox, counsel for Wolf, asked for the reduction in bail, saying "Wolf will be here when he is needed."

Started As Clerk
Frye traced the history of Wolf's employment with the bank from the time the slender, grey-haired defendant started as a clerk-teller in 1919.

"Wolf admitted in a statement to me that he started taking funds from other accounts and transferring them to his own account," Frye said.

"He continued this until 1948 when he became cashier and then started taking money from the cash-in-hand and charging it to other accounts on the ledger."

Frye, describing Wolf's background, said he was a native of Telford, was active in various civic organizations, is married and has a grown daughter.

Faces Five Years
Fox asked Frye if he knew how much money had been taken by Wolf in the past three years. Frye replied that the investigation had not "pinpointed the amount at the present time."

Fox then inquired whether Wolf had voluntarily gone to the bank examiner and readily admitted taking the money. Frye replied: "He did when he was confronted with the shortages."

Frye also said that Wolf had given the \$146,000 figure as the total, and this had been verified by the bank examiner.

If convicted, Wolf faces a possible maximum sentence of five years in prison and \$5,000 fine. He did not enter a formal plea either of innocent or guilty.

NEW YORK (AP)—Don Budge, making a comeback in professional tennis, admits that he has slowed down—just a little.

The 38-year-old Budge who grabbed ever top tennis crown in 1938—U. S., England, Australia and France—is now touring with the Jack Kramer group.

Says Budge "I figure maybe I'm a point or two worse per game than I was 15 years ago. I'm used to the big tour. I turned pro in 1939 and also toured in 1940, '42 and '46."

Baseball League Meeting Wednesday

A meeting of officials of the South Penn Baseball League will be held Wednesday evening at 7:30 o'clock at the American Legion Home, Baltimore St.

All teams are urged to have representatives present inasmuch as the \$30 forfeits are payable at that time.

At a meeting last week Cashtown and Mummansburg were voted into membership. Fairfield has indicated its desire to become a member and may be admitted at Wednesday's session. In the event Fairfield does not apply, an effort will be made to secure another team, probably Arendtsville, to make the loop a 10-team affair.

American Soldier Stabbed 24 Times

YOKOHAMA, Japan (AP)—An 18-year-old American soldier was stabbed 24 times and left dead on the floor of an Army mess hall last night.

The Army today said the suspected slayer, another serviceman, was being hunted by military and Japanese police.

The scene was the mess hall of the ammunition depot at Ikego, near the big naval base of Yokosuka, south of Yokohama.

The Army said the slayer was seen by a Japanese boilerman holding the victim by the shirt and waving a knife.

Allentown Cagers Upset By Slatington, Champions Of Lehigh Valley Loop 2 Years

By DICK HOENIG

HARRISBURG (AP)—With a major upset victory over mighty Allentown safely tucked away, Slatington High's basketball team is one step from its first District 11 title.

The Slaters, champions of the Lehigh Valley League two years in a row, now have two PIAA playoff wins and are on the way toward repeating the surprise performance entry in the 1952 playoffs. Cata-sauqua reached the eastern final that March before bowing to Coatesville.

Slatington made its 26th triumph of the season (against three losses) the biggest so far Saturday night, grounding the 1954 hopes of Allentown, 63-56. The Slaters took a first quarter lead and were never behind. At one time they led by 18 points.

Allentown, annual contender in the statewide eliminations and four-time state champ in the last 10 years (two titles were forfeited) was again rated one of the east's top threats. They had beaten Bethlehem twice, one of the three victors over Slatington.

Never Was First

Slatington has never finished on top of the district since it was organized in 1931 but the Canaries have won the title seven times.

Last year Allentown whipped Slatington, 78-57, in the district final. This time Slatington reaches the final Thursday to find St. Clair of the North Schuylkill League its opponent.

St. Clair stopped one of the state's four regular season all-winning streaks Friday by outrushing Landsford, 57-50. Meadville headed toward its third straight District 10 championship by defeating Erie East for the third time this season. New Kensington entered the District 7 (WPIAL) semifinal bracket with a 56-45 win over Monessen.

Lewistown Wins

League races settled over the weekend found Lewistown taking its fifth Central Mountain League championship in 10 years by clinching second half honors with a win over defending champion Hollidaysburg. Chambersburg grabbed its 10th South Penn title in 11 years by doubling the score, 62-31, on second half winner Hershey in a seasonal playoff.

Scranton Central took its first Lackawanna title since 1940 by dropping Dickinson City in a season playoff and Plymouth made it eight Wyoming Valley championships in 10 years by getting past Nanticoke, first half winner.

Tonight's only Class A action on the playoff front finds the state champion Yeadon team (19-1) going after its second playoff win in a District 1 semifinal against Pennsburg. The Eagles expect little trouble from Pennsburg, a Pennsburg, a team they whipped in the first round last year. In the other semifinal Chester (21-2)

considered one of Yeadon's top threats in the east, plays West Chester (13-5).

QUESTION BOY IN SLAYING OF STENOGRAPHER

PHOENIXVILLE, Pa. (P)—Police questioned a husky 19-year-old youth early today in connection with the knife slaying of 22-year-old Marguerite Keota.

The body of the pretty brunette stenographer was found Saturday in a water filled pit behind an abandoned rural school three miles from her home. She had been missing since Tuesday night when she attended a dance at Valley Forge Army Hospital.

The name of the young man under questioning was withheld by police pending further investigation. They said, however, that he was only one of four or five men being sought. Police said the youth had the use of a green sedan similar to the car described by neighbors who heard a girl scream near the spot where Miss Keota was believed abducted.

Police Chief Fred MacInnis said he was convinced the slayer lived in the Phoenixville area. Otherwise, MacInnis said "he never would have found the place where he left the body."

Meanwhile, police continued to comb the industrial community near the eastern terminus of the Pennsylvania Turnpike west of Philadelphia for further clues.

They said the man picked up last night maintained his innocence through hours of questioning and his story that he was home at the estimated time of the slaying was supported by his wife.

ONE KILLED, 4 HURT IN CRASH

HERSHEY, Pa. (P)—Fred B. Gish, 21, of Middletown, was killed and four other persons injured in a three-vehicle collision on Rt. 422 two miles east of Hershey.

Gish died at Good Samaritan Hospital, Lebanon, yesterday, after suffering an internal hemorrhage. Mr. and Mrs. Mervin S. Yingst, Lebanon R. 1, occupants of one car, were in the same hospital in fair condition with face and head cuts and internal injuries.

William Carson, Middletown, and Brian Bartlow, a student at Milton Hershey School, both in the car with Gish, suffered internal injuries. Carson was in fair condition at Good Samaritan Hospital while Bartlow's condition was described as serious after surgery.

State police of the Hershey barracks said the car in which Gish, Carson and Bartlow were riding west shortly before midnight Saturday swerved into the eastbound lane and broadside into the Yingst auto. A truck driven by Charles C. Black, Halifax R. 1, also traveling east, hit the rear of the Yingst car.

It was not immediately established who was driving the two cars.

TURKS RELEASE YANK FREIGHTER

ISTANBUL, Turkey (P)—The American freighter Volunteer State, held three days by Turkish authorities investigating a hit-run collision at sea, has been allowed to continue her voyage to Genoa.

Maritime officials said the 7,210-ton vessel was in the area where the small Turkish ship Yayla was struck last Tuesday by a large ship which did not stop. The Yayla sank and four Turkish seamen drowned.

The crew of the Volunteer State denied knowledge of any crackup. Her mate, William Gilmore Claff, 33, of Baltimore, Md., remained in Istanbul. He was the ship's watch officer at the approximate time the Yayla was sunk and the Turks said his help was needed to complete the inquiry. The U. S. consulate emphasized that he was neither under arrest nor charged with any violation and said he would rejoin his ship in about two weeks.

Pizza Pie Pushes Hot Dog Popularity

ASBURY PARK, N. J. (P)—The hot dog has a new rival for the affections of boardwalk gourmets.

Pizza, the tomato pie imported from Italy, was making cash registers jingle all along the fabled shore during last season.

They are the exclusive fare at scores of boardwalk stands and pizzeria proprietors predict an even bigger boom.

Frank Brown, an authority on the subject, credits tastiness and economy with making the pie the big seller it is.

He says teenagers started the boom. Short on cash, they found that a divided pizza went a long way toward filling an empty stomach.

70-Year-Old Man Still Wrestling

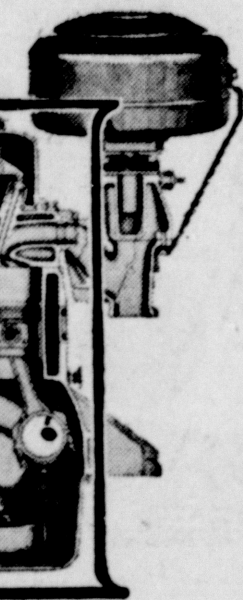

LONDON (P)—Bill Wilson celebrated his 70th birthday by trying out a few new wrestling holds on his pals at a London sports club. "And I hope to be still wrestling when I'm 80," he said. "I owe a lot to the sport."

Wilson was crippled with arthritis 20 years ago and could not bend his knees. His doctors ordered him to take up wrestling. Wilson did and soon was completely cured.

"I," "Y" and Handsome!

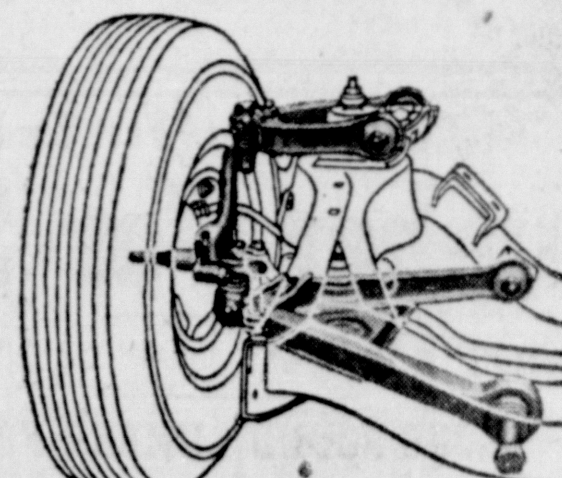

No other car, regardless of price, offers you two such modern engines as Ford with its I-block Six and Y-block V-8. And to go with these and its many other modern features Ford brings you the trend-setting style of the industry.

Once you step into a new '54 Ford for a Test Drive you'll see for yourself the reasons why thousands are swinging to Ford! For besides Ford's new engines there are many other new features that make driving much easier and more pleasant. Ford's modern styling is one. Its smooth eye-catching design is matched in beauty by its completely new trend-setting interiors. Then there's Ford's new Ball-Joint Front Suspension that makes possible a smoother ride and easier steering... and, at extra cost, 5 optional power assists. All these features, and many more, add up to make Ford the one fine car in the low-price field.

4-Way Power Front Seat moves up and down, forward and back, at the touch of a button. Like Ford's other optional power assists (power steering, power brakes, power windows and Fordomatic), this power seat gives you so much extra comfort and convenience that it's almost a "must".

New Ball-Joint Front Suspension replaces the conventional kingpin system used in most other cars. The simple ball-joint system eliminates 12 wear-points... helps keep wheels in line longer... and means your Ford will keep that new car "feel" for more miles.

McCarthy Wants Radio Time To Answer Charges Made By Adlai Stevenson Saturday

MIAMI BEACH, Fla. (P)—Sen. McCarthy (R-Wis) wants equal free time on national radio and television networks to answer charges by Adlai E. Stevenson that the senator's investigations threaten the country with a "malignant and fatal totalitarianism."

Stephen A. Mitchell, Democratic national chairman, told newsmen yesterday that Stevenson's Saturday night speech was carried free on CBS television and NBC radio.

McCarthy, who in the past has demanded and received equal time to answer attacks by Democrats, said in an interview that he would ask for free facilities to reply to Stevenson.

(In New York the National Broadcasting Co. and the Columbia Broadcasting System said they have received no such request from McCarthy yet.)

Criticized Ike

Stevenson criticized President Eisenhower in his speech for failing to put the brakes on McCarthy. But two Democratic senators agreed that economic issues should outweigh McCarthy's activities in the Democrats' 1954 campaign strategy.

In a speech creating the general impression here he is actively in the field for the 1956 Democratic presidential nomination, Stevenson said Eisenhower could stop what the former Illinois governor called a campaign by McCarthy to "sow slander and dissension" across the nation.

Although he said he agreed generally with that conclusion, Sen. Magnuson (D-Wash) said he is not too sure of either the timing or the importance that Stevenson gave to McCarthy and his Communist-in-government charges. He was joined by Sen. Murray (D-Mont).

Issues In November

"Come next fall, when control of Congress is decided at the polls, I think the fiscal policies the Republicans have put into effect are

going to be the most important issue," Magnuson said in an interview.

Stevenson's charges in a speech here Saturday night that McCarthy's investigation threatened a "malignant and fatal totalitarianism" and that out of two million federal employees "only one alleged active Communist has been found" brought a hot reply from McCarthy.

"It was a very clever political talk designed to cloud the issues," McCarthy said in an interview.

"The speech reminded me of a story. My brother and I went to my father's barn a long time ago to clean it out. We disagreed how it should be done. If Stevenson had been there he would have kept trying not to clean it out at all."

"Clean Up Dem. Mess"

"What the Republicans are trying to do is clean up the Democratic mess. We don't always agree on how the job should be done, but we all agree it must be done."

McCarthy said he campaigned for Eisenhower in 1952 and "I'd campaign for him again today."

"Not that I think he's perfect," McCarthy said, "but the President is right 95 per cent of the time, which is a very big average."

McCarthy said he thought what Stevenson was so "stirred up about" was the fact that Eisenhower "does not object to exposure of Communists in the Army or elsewhere."

Egyptian Queen Gives 83 Acres To Peasants

CAIRO (P)—Egypt's land reform, under which ownership of agricultural land is limited to 300 acres per family, has cost a member of the Iraqi royal family the loss of 83 acres. Queen Nefissa, grandmother of King Faisal II of Iraq, owned 383 acres in southern Egypt.

She was asked to give up 83 acres which are to be distributed to landless peasants.

THE CAT'S MEOW

BOSTON (P)—A burglar alarm sounded in South Boston police station indicating someone was tampering with the narcotics vault at the McKesson and Robbins drug plant.

Police converged on the plant and headed for the narcotics vault. They observed a cat purring in a corner. The cat has walked through an invisible ray which touched off the alarm.

REPUBLICANS HAVE PROBLEMS NEXT NOVEMBER

By JAMES MARLOW

WASHINGTON (P)—If Republicans lie awake nights, thinking rain on the roof sounds like ballots dropping in a box, it's because they have problems. The usual kind, plus some.

The usual kind: convincing November's voters they've done dandy in the ordinary affairs of government, including handling a recession, and should be re-elected to control of Congress two more years.

The plus some: the conflict between Sen. McCarthy and the Eisenhower administration. If it breaks into open war, McCarthy and the party both face possible losses in November.

Fear GOP Split

The Republicans might lose to the Democrats if President Eisenhower broke openly with the Wisconsin Republican and the party split into Eisenhower and McCarthy factions.

(Adlai Stevenson suggested Saturday night, however, that if Eisenhower did break with the senator his administration would

have had the "grateful and dedicated support" of all but a "tiny and deluded minority.")

If McCarthy and the President should break and the Democrats take over Congress, McCarthy would lose chairmanship of the investigating subcommittee which has brought him headlines and power.

Could Lose Congress

Republican defeat this year would mean Eisenhower would have to depend on a Democratic-run Congress to put over his program for the two remaining years of his term or watch the Democrats ram through their own program.

At any rate, two years of con-

trol in Congress would give the Democrats the means and time for laying the groundwork for a combined congressional and presidential victory in 1956.

As chairman, with a staff at his command paid by the taxpayers, McCarthy can make his own investigations. He runs the show. Losing the chairmanship might not be too hard on him. He did pretty well before he had it.

But the possibility of his losing the chairmanship in November performance. For instance: would he be willing to force an issue with Eisenhower and a break, even though it cost him the chairmanship and his party control of Congress?

Sweden Ponders Link To West

STOCKHOLM (P)—Sweden and Norway have blown the dust off a blueprint plan which could give Sweden a closer link in wartime with the Western world.

The plan — alternately studied and shelved for several years — provides for development of Norway's Trondheim docks and electrification of the railway linking the industrial region of Central Sweden with the Norwegian port on the North Sea.

Some circles in both countries have long argued that an ice-free port to the west could be of vital importance to Sweden if Soviet aggression in Scandinavia one day forced her to abandon her present neutrality policy.

California Democrats Back Jimmy Roosevelt For House

LOS ANGELES (AP) — James Roosevelt, accused by his estranged wife of being a philanderer, has won the endorsement of the Democratic party as its candidate for Congress in the 26th District.

Prior to the endorsement by the 26th District Democratic Council, made by acclamation on the second ballot, the 46-year-old insurance executive said in a speech that he decided to enter the race to "obliterate" charges against him and "slurs against the ideals of my father."

The eldest son of the late President Franklin D. Roosevelt made no specific reference to his wife's sensational separate maintenance suit, but he did say last night, "Personal questions are being used not only against me but against the Democratic party."

He added that the "questions" left him two choices, either to retire from public life, which he said would acknowledge "evidence of guilt and lack of courage," or:

"To come before the people and get elected to Congress and make a record which forever would be an answer to any smears the opposition would make."

In her suit, Mrs. Romelle Roosevelt, 38, named three co-respondents and filed a letter signed by Roosevelt and admitting infidelities with nine other women. He has denied all the charges, saying he was forced to sign the letter in 1945 to prevent his wife from divorcing him and thus adding to the burdens of his father as president.

FIND SKELETON IN CLOSED MINE

BETHLEHEM, Pa. (AP)—Lehigh County authorities attempt to establish today the identity of a human skeleton found in an abandoned mine at nearby Friedensville.

Skeleton, that of a man, was discovered by 12-year old John Smith, who with some companions was playing in the mine owned by the New Jersey Zinc Co. of Palmerton, Pa.

State police said they were unable to determine how long the skeleton had been in the mine. It was found 900 feet down in a section that had formerly been covered by water.

The Smith boy found one bone Saturday and on Sunday discovered the rest of the skeleton which was partly hidden from view by large rocks.

Naguib Stripped Of More Powers
CAIRO, Egypt (AP)—Egypt's Revolutionary Council has taken more powers away from President Mohamed Naguib and given them to the man who supplanted him as premier, Lt. Col. Gamal Abdel Nasser.

A decree last night appointed Nasser to replace Naguib as Egypt's military governor, administering the martial law in force in Egypt since the Cairo fire riots of 1952. The post since then has been held by the Premier in office.
